Dear Stakeholder,

Re: Appointment of New General Counsel

The Financial Services Commission (the Commission) advises that effective May 1, 2024, Ms. Sade Jemmott has been appointed as General Counsel.

With a robust background in international commercial law and corporate advisory services, Sade brings a wealth of expertise and a strong commitment to integrity, leadership, and national development to our team.

Throughout her career, this well-appointed attorney-at-law has made impactful contributions across various sectors, both private and public. Before joining the Commission, Sade was a private consultant and served as Director for Barbados Tourism Marketing Incorporated (BTMI) and the Barbados Tourism Product Authority (BPTA), where she provided strategic direction to these entities responsible for promoting, assisting, and facilitating the efficient development of tourism in Barbados. Additionally, the new General Counsel continues to contribute to the formulation of Barbados' new Constitution following her appointment to the Constitutional Reform Commission in 2022.

Join us in extending a warm welcome to Sade as she embarks on this exciting new chapter with the Financial Services Commission and strengthens our commitment to building a regulatory framework with matched legislation.

Yours faithfully,

Warrick Ward
